- \* Restaurante Pueblo Viejo: One of the most classic restaurants in Aguas Calientes. Peruvian food and meats.
- \* Mapacho Craft Beer and Restaurant: Is a relatively new restaurant but gets great comments and has artisanal beer.
- \* Restaurante Tree House: Small restaurants made from wood. Has the feeling of a Tree House. It used to be owned by 3 of our friends and was always very good. It has recently been sold to a new owner. It should still be a nice place to escape from the business of this town. They also offer cocktails.
